$0.00	$0.00	$0.00

Receipt Support

0 receipts captured, $0.00 in receipt-backed expenses, 0 missing receipt warnings, 0 uncategorized transactions.

Current Limitations

- This is a bookkeeping and tax-preparation assistant, not full double-entry accounting.
- CCA support is a basic helper; confirm classes, half-year rules, and claims with an accountant.
- Bank CSV import is basic and does not yet provide full reconciliation.
- Payroll/T4 support is summary-level and should be reviewed with payroll software or an accountant before remitting or filing.
